Sir:

**REQUEST FOR VACATING DECISION ON REQUEST FOR RECALCULATION OF  
PATENT TERM ADJUSTMENT IN VIEW OF WYETH**

Applicants received in the above-referenced matter a "Decision on Request for Recalculation of Patent Term Adjustment in View of Wyeth" ("Decision") dated May 21, 2010, dismissing Applicants Request for Recalculation. However, Applicants Request for Recalculation filed May 17, 2010, was not in view of Wyeth and instead, was in view of a possible PTO error in determining the Patent Term Adjustment and included a Request for Clarification of Calculation. As such, Applicants believe that the Decision dismissing Applicants "Notice of Possible PTO Error in the Determination of Patent Term Adjustment and Request for Clarification of Calculation" filed May 17, 2010, was in error. To that end, Applicants respectfully request that the

Decision be vacated, and Applicants request reconsideration of the "Notice of Possible PTO Error in the Determination of Patent Term Adjustment and Request for Clarification of Calculation."

Please grant any additional extensions of time required to enter this Request and charge any additional required fees to Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
